

Sherwood Youth Soccer Club

Parent Code of Conduct

The SYSC mission statement is to develop and nurture the love of soccer in the Sherwood community. Part of our vision is to create a fun and positive environment for all soccer players to participate, enjoy and achieve success. Parents and families play a critical role in helping us achieve our mission and vision. Our club is asking parents to read and agree to the following pledges as we all work towards making this the best experience possible for Sherwood kids.

1. I pledge to be punctual in dropping off and picking up for each game and practice, understanding that it is important for my child to be on time and ready to participate.
2. I pledge to inform the coach of any absences, vacations or expected tardiness for practices and games.
3. I pledge to “Honor the Game”. I understand the importance of setting a good example for my child and other children. No matter what others may do, I will show respect for all of those involved in the game including coaches, players, officials and opposing families.
4. I pledge to support the coach at all times in a positive manner and refrain from negative comments about the coach in front of my child. I understand that negative comments can adversely impact my child’s attitude and morale and could therefore create a negative experience for their soccer experience.
5. I pledge to refrain from coaching or yelling instructions out to my child or other players while on the game field or at practices. I understand that games are chaotic times for children trying to deal with fast paced action while also responding to coaches, officials and opponents. I will limit my comments during games to encouraging my child and other players on the field.
6. I pledge to wait a minimum of 24 hours before discussing a game situation with the team coaching staff. I will schedule a time to meet with the coach to discuss my concerns privately and will not air my concerns in a public medium or in front of my child, other players or their families. I will not confront the coaching staff on the field immediately after a game. I will contact the Director of Soccer Programs if I cannot resolve my concerns with the coach.
7. I pledge to make every effort to create a positive soccer experience for my child.
