A total of two (2) volunteer hours are required for financial assistance scholarships. We use an online service for coordinating volunteer hours. You can find a link to this website on the volunteer page of our website (www.sherwoodsoccer.org). Please note that failure to complete volunteer hours may result in denial of assistance in the future.

The club does not provide financial assistance for the OYSA insurance fee (\$12).

Please give the board a summary of your financial position and why you are requesting financial assistance:
